

Learning Menu- Week of March 23rd

Monday, 3/23

Reading:	<p>March Madness Reading</p> <ol style="list-style-type: none">1. Watch this video from Ms. Perellin about March Madness:<ul style="list-style-type: none">• March Madness2. Listen to Last Stop On Market Street <p>Foundations Complete the two practice pages: 1. Page 1 2. Page 2</p> <p><u>Also</u></p> <p>Choose 1 of the Following:</p> <ul style="list-style-type: none">• Read a book from home.• Raz-Kidz• Tumblebooks
Writing about your reading	<p>March Madness Book Review</p>
Math: Choose one on-line activity, play Close to 100 Game and complete "Rearrange and Find"	<p>Symphony Math: This online tool is an instructional program that teaches students grade level math concepts. The account number for Loker is 4451. The username and password is your child's lunch code. It's recommended that your child spend 15-20 minutes each day working on this program. Once students complete the program through stage 12, they can use Happy Numbers.</p> <p style="text-align: center;">OR</p> <p>Happy Numbers: This online tool provides students with practice of grade level skills. Your child's classroom teacher will email the class code for your child's class. This program can be used if your child has completed Symphony Math through stage 12.</p>

	<p>Play: Close to 100 Game Complete: Rearrange and Find</p>
Social Studies	<p>Play Roll a Map:</p> <p> RollaMapContinentsandOceansGame.pdf 4.1 MB</p> <p>AND</p> <p>https://www.brainpop.com/science/earthsystem/oceans/</p> <p>Log in : Loker_School Password: loker1</p> <p>Ocean Riddle: I am the ocean found between the Americas (North and South) and Europe and Asia. I am the _____?</p> <p>Bonus: Make your own ocean riddles for the 4 remaining oceans for someone to solve at home.</p>
Acts of Kindness	<p>A picture is worth a thousand words: We bet your grown ups have boxes or albums of old photographs. Spend time with someone who knows something about the photos. Sit and listen and ask questions. Before cell phone cameras, we had to carry around cameras and film!</p>
BONUS! :)	<p>Mo Willems will release a "Lunch Doodle" video every Monday at 1:00 https://www.kennedy-center.org/education/mo-willems/</p>

Tuesday, 3/24

Reading:	<p>March Madness Reading</p> <ul style="list-style-type: none"> • Listen to Windows <p>Foundations Complete the two practice pages</p> <ol style="list-style-type: none"> 1. Page 1 2. Page 2 <p><u>Also</u></p> <p>Choose 1 of the Following:</p>
-----------------	---

	<ul style="list-style-type: none"> ● Read a book from home. ● Raz-Kidz ● Tumblebooks
Writing about your reading	<p style="text-align: center;"><u>March Madness Book Review</u></p>
Math: Choose one on-line activity and play one of the games listed.	<p><u>Symphony Math</u>: This online tool is an instructional program that teaches students grade level math concepts. The account number for Loker is 4451. The username and password is your child's lunch code. It's recommended that your child spend 15-20 minutes each day working on this program. Once students complete the program through stage 12, they can use Happy Numbers.</p> <p style="text-align: center;">OR</p> <p><u>Happy Numbers</u>: This online tool provides students with practice of grade level skills. Your child's classroom teacher will email the class code for your child's class. This program can be used if your child has completed Symphony Math through stage 12.</p> <p>Play: <u>Name that Number</u> Complete: <u>Loop Addition</u></p>
Social Studies	<p>We have a special project that we would like you to begin thinking about today. You will have a chance to create an imaginary country. You will complete your imaginary country over the next few days.</p> <ul style="list-style-type: none"> ● Read imaginary country directions. ● Complete Step 1 <p><u>Imaginary Country Directions</u></p> <p><u>Imaginary Country Planning Sheet</u></p> <p><u>Planning Sheet - Example</u> <u>Imaginary Country - Example</u></p>
Acts of Kindness	<p>Make a poster with a positive phrase or quote. Use color and take care with it. Better yet, create a gallery of positivity in your house!</p>

Wednesday, March 25

<p>Reading:</p>	<p><i>Foundations:</i> <i>Complete the two pages:</i> 1. Page 1 2. Page 2</p> <p><i>Choose one of the activities listed below.</i></p> <ul style="list-style-type: none">● Raz-Kids● Tumblebooks● Choose a book you have at home. Read it independently or aloud to a family member.
<p>Writing:</p>	<ol style="list-style-type: none">1. Watch Writing Camp with Ranger and Hoppy2. Make a plan for your writing<ol style="list-style-type: none">a. List somethings that you loveb. List small moments connected to that which you lovec. Touch and tell the story you want to telld. Write a short "story" (4-5 sentences) <p>*Note about Ms. Mulligan and "Writing Camp"- Ms. Mulligan worked in the Wayland Public Schools for 4 years as a reading consultant. We are very lucky that she has continued to support our schools and has offered her writing lessons as a way to support our 2nd Graders for their on line learning. She does refer to "padlet" which is a way for students to share their writing with her. Please let us know if your child is interested in posting his/her work to this blog and we can give you the information to help you do this></p>
<p>Math: Choose one on-line activity and play Four Sums In A Row</p>	<p>Symphony Math: This online tool is an instructional program that teaches students grade level math concepts. The account number for Loker is 4451. The username and password is your child's lunch code. It's recommended that your child spend 15-20 minutes each day working on this program. Once students complete the program through stage 12, they can use Happy Numbers.</p> <p style="text-align: center;">OR</p> <p>Happy Numbers: This online tool provides students with practice of grade level skills. Your child's classroom teacher will email the class code for your child's class. This program can be used if your child has completed Symphony Math through stage 12.</p>

	<p>Play: :Close to 100 Game or Name that Number Complete: Spiral Review</p>
Social Studies	<p>Continue working on your imaginary country.</p> <ul style="list-style-type: none"> • Reread Imaginary Country directions. • Complete Step 2. <p>Imaginary Country Directions</p> <p>Imaginary Country - Blank Map</p> <p>Step 2 - Example</p>
Acts of Kindness	<p>Find a new home for things you don't use: Now's a great time to go through your books, clothes, and toys. Check with a grown up and then make piles of stuff to donate or give to a friend. You might have found someone else's treasure!</p>

Thursday, 3/26

Reading:	<p><i>Choose one of the activities listed below.</i></p> <ul style="list-style-type: none"> • Raz-Kids • Tumblebooks • Choose a book you have at home. Read it independently or aloud to a family member.
Writing:	<p>Watch Writing Camp with Ranger and Hoppy- Day 2</p> <ol style="list-style-type: none"> 1. Think about something you love w/ a strong feeling. Some suggestions of strong feelings you might think about using are: helpful, excited, embarrassed, scared 2. List small moments when you have had these feelings 3. Touch and tell or storytell 4. Draw and write a "short story" (4-5 sentences) based on a small moment you have selected where you had strong feelings
Math: Choose one on-line	<p>Symphony Math: This online tool is an instructional program that teaches students grade level math concepts. The account number for Loker is 4451. The username and password is your child's lunch code. It's recommended that your</p>

<p>activity and play Four Sums In A Row</p>	<p>child spend 15-20 minutes each day working on this program. Once students complete the program through stage 12, they can use Happy Numbers.</p> <p style="text-align: center;">OR</p> <p>Happy Numbers: This online tool provides students with practice of grade level skills. Your child's classroom teacher will email the class code for your child's class. This program can be used if your child has completed Symphony Math through stage 12.</p> <p>Play: :Subtract and Travel Complete: JumpStart 33</p>
<p>Social Studies</p>	<p style="text-align: center;">Continue working on your imaginary country.</p> <ul style="list-style-type: none"> ● Reread Imaginary Country directions. ● Complete Step 3. <p>Imaginary Country Directions</p>
<p>Acts of Kindness</p>	<p>Write a thank you card (or a few!): Maybe you're now realizing how much you love that sweater that Aunt Sophie sent you over the holidays? Or, maybe you are grateful that your second grade teacher taught you how to tell time. Let them know! Write a thank you card--be specific and tell that person why that gift is so important to you. No thank you cards? Make a few before you start!</p>

Friday, March 27(in progress- math and kindness complete by IW)

<p>Reading:</p>	<p><i>Choose one of the activities listed below.</i></p> <ul style="list-style-type: none"> ● Raz-Kids ● Tumblebooks ● Choose a book you have at home. Read it independently or aloud to a family member.
<p>Writing: Write a poem using alliteration</p>	<ol style="list-style-type: none"> 1. Read/Listen to 100 Bugs 2. Watch Writing Camp with Ranger and Hoppy- Day 3 3. Think about the "text" you want to use as your guide

	4. Try and write a poem or a short narrative using your text as a guide.
Math: Choose one on-line activity and play Four Sums In A Row	<p>Symphony Math: This online tool is an instructional program that teaches students grade level math concepts. The account number for Loker is 4451. The username and password is your child's lunch code. It's recommended that your child spend 15-20 minutes each day working on this program. Once students complete the program through stage 12, they can use Happy Numbers.</p> <p style="text-align: center;">OR</p> <p>Happy Numbers: This online tool provides students with practice of grade level skills. Your child's classroom teacher will email the class code for your child's class. This program can be used if your child has completed Symphony Math through stage 12.</p> <p>Play: Target 20 Complete: Sum Triangles</p>
Social Studies	<p style="text-align: center;"><i>Finish your imaginary country. It's time to add color!</i></p> <ul style="list-style-type: none"> ● Reread Imaginary Country directions. ● Complete Step 4 using the map you made in steps 2 & 3. <p>Imaginary Country Directions</p>
Acts of Kindness	<p>Share a skill: Do you love baking? With a grown up's permission, bake a dozen cookies for your family. Enjoy tootling on your recorder? Call a grandparent and play them Hot Cross Buns. Are you a joke teller? Now is a great time to share laughs. Video yourself as a stand up comic and send the video to anyone who needs a smile.</p>
